

2018 was an extremely busy year for The Hummingbird Centre.

We moved into the old Banardoes building September 2018, worked with the local businesses within the Mews to turn the building around within 2 wks.

Attended several fund raising events within the Community of Launton which contributed towards the refurbishment of our Activities Barn

Worked in collaboration with the Parish Council, Highways and Cherwell District Council to turn the grass verge into a pathway at the side of our building.

June 2018 we were presented with the Queen's Award, MBE Voluntary Services

July 2018 Macmillan Centre of Excellence Award nominated by Stoke Manderville Hospital

Over 15500 guests have used our services.

Light the Light event was bigger than ever – apologies to Station Road re parking each year we look at how to make this run smoothly keeping Station Road free.

Launched new services i.e. Emmett Therapy, Equine Therapy, expanded our team of volunteers to 40 volunteers, increasing our counselling service within 48hrs, with no waiting lists.

We are looking to work with Children in 2019 by linking in with the schools of Bicester and surrounding villages.

We've already held a very successful Black Tie Event at Tythe Barn.

Expansion /renovations are under way for our Holistic/Sensory Building, which we are looking to launch in July.

Thank you to everyone who continues to support us.
