

**LAUNTON OVER 60s CLUB
REPORT TO PARISH COUNCIL
25 APRIL 2019**

Another year has passed and it has been successful and enjoyable.

We've had outings to Stratford upon Avon and Worcester, lunches, including a lovely carvery at Millets Farm, an afternoon tea in the Parish Hall provided by Launton WI, a weekend in the Isle of Wight, bingo and raffles at every meeting and all the usual, various Christmas celebrations. We always ask our members to let any of the Committee know if they have any suggestions for future events etc.

Our membership presently stands at 44 but if anyone else would like to join us they will be made very welcome. We would like to get our numbers back up to 50.

At our recent Annual Meeting, as there were no new nominations, our seven committee members agreed to stand for another year and were duly voted in. These are Edwina Caton, Pat Court, Ken Babington, Daphne Ghouse, Joyce Day, Maureen Reene, and Pat Rushton.

Edwina thanked this hard-working committee and everyone who has helped with washing up, folding raffle tickets, teas etc which is very much appreciated by us all.

We all hope that the coming year will be as successful and enjoyable as the last.
