

Launton Annual Parish Meeting 19th April 2019

Report of Launton Watercolour Art Group

Sadly, I must first of all report on the loss of the founder of our group, Patsy Stephens, who passed away peacefully on 27th July last year. Patsy started the Launton Watercolour group in 2005 when she persuaded David Meeks to be our tutor and arranged to hire the Parish Hall. For 14 years the Group has flourished with 10 - 12 regular members who sit and paint in the Hall on Monday afternoons.

Once again during the last year, under our tutor David Meeks, we have covered a range of subjects including landscapes featuring different seasons of the year, flowers, Christmas cards, animals and still-life. We again exhibited some work in the Launton Fete Arts and Crafts Show which drew many appreciative comments and we hope to put on another display in the forthcoming 2019 Fete.
