

LAUNTON VILLAGE ROCK CHORUS 2021 REPORT

It's been a very uneventful year due to Covid. The Launton Village Rock Chorus haven't rehearsed or performed since the first lockdown in March of last year and unless conditions allow us to go back in the next month or so we're planning to start up again in September allowing for the summer holiday break.

We have continued to meet every week socially on Zoom but unfortunately group singing doesn't work over Zoom so it's just a weekly catch up chat as in particular some of our members are on their own.

The one highpoint of the year is that we applied for and received a grant from Councillor Ian Corkin's Councillor Priority Fund of £335 which will go towards rehearsals in the future and will ensure that the Rock Chorus carries on after lockdown.

If anyone or if you know anyone that would like to come and join the Rock Chorus please check out our Facebook page or contact me directly and remember singing is just plainly good for you!
