

Launton Annual Parish Meeting – Parish Transport Representative Report

The Parish Transport Representative (PTR) meetings scheduled for June 2020 and October 2020 were cancelled due to COVID-19 restrictions and the February 2021 meeting was held virtually by Zoom. I did not attend the meeting, but if anyone is interested in the minutes or in the PTR newsletters or update reports, please get in touch with me.

In the village, we lost our S5 Launton-Oxford bus service at the beginning of 2021. Thanks to the efforts of Oxfordshire County Council, this has, for the time being, been replaced by the route 28 Launton-Bicester service, which runs hourly during the day Monday-Saturday. This provides connectivity with the S5 service which still runs between Bicester and Oxford.

I am no longer well-placed to be the Launton PTR, as I have not been using public transport for over a year now and it is not clear when or whether I will resume commuting by bus, so if anyone would like to take over, they are more than welcome!

Sarah Turner, April 2021
