

Launton Watercolour Painting Group

Report for Annual Parish Meeting 2022

I am sad to report that, owing to Covid the Watercolour Group has not met since March 2020. It was considered too risky for several people to sit in the Parish Hall for a couple of hours. Moreover, the situation has got progressively worse and I believe that it has reached one in eleven people now.

I have suggested to the Group that we could take part in the Island Pond Wood event in May and paint *al fresco*. We did that once before about ten years ago.

I am resigning as organiser of the Group; at the age of 93 and with poor eyesight I can't manage it any more. Paul Ebberson has hinted that he may be interested in taking over. His email is paul.ebberson@gmail.com
