

Annual Parish Meeting 22 April 2021

The Fete Group

The Fete Group is looking forward to 2022 when they hope to be able to organise a Launton Village Fete on 11 June, having had - with great sadness - to cancel the 2020 and 2021 Fetes. Thanks to all members of the organising group who have carried on with the depressing work of reviewing the lockdown situations and deciding that the 2020 Fete would not be possible, and the 2021 fete would be unfeasible with the unknown situations with the government roadmap out of lockdown. We are all keen to focus on 2022.

Especial thanks and recognition to Wendy Foster who has applied for the BBMF fly past for Fetes for many years, and was successful in both 2020 and 2021 with securing the offer. We hope that she will be successful for 2022 as the fly past has been a popular feature of the fete for many years.
