

Launton Village Rock Chorus

The Launton Village Rock Chorus was, for obvious reasons, out of action for some time. We came back to rehearsals in September last year and performed for the first time in a while for a gathering of local WI groups in Stoke Lyne on the 23rd of March. We had an almost completely new set of songs which were received enthusiastically by the audience.

The LVRC is a not for profit organisation, we pay subs to cover our costs and we perform for local good causes and charities whenever possible.

We hope to grow our numbers this year and would encourage everyone and anyone to come and join us regardless of their singing ability. There's safety in numbers and singing is basically just good for the soul!

The group rehearse most Tuesday evenings at 7.30 in the Parish Hall.
