

The Launton Facebook Page and Group

The Launton Facebook Page and the Launton Community Group are part of the LCCG (Launton Community Communication Group) and affiliated to the Launton Lines and the official Launton website.

The Page has 815 likes and is the online vehicle for local announcements which are in turn shared to the Facebook Launton Community Group and other local groups on the platform.

The Launton Community Group has 1500 members 69% female 31% male and had proved to be a very efficient means of communicating local Launton issues.

Please note that In addition there is also a Launton Village Community Group set by a third party, however, they only have 527 members and we maintain a close working relationship with them.
