

LAUNTON OVER 60s CLUB
REPORT TO PARISH COUNCIL
APRIL 2024

We held our Annual Meeting in March and were very pleased that two of our members volunteered to join the Committee. They are Elaine Howes and Bob Ralston, both from Bicester. The other Committee members agreed to continue for another year and, of course, there are others who are not actually on the committee but who help out in various ways. We could not easily manage without them.

We have increased our membership from 29 this time last year to 37 at present which is fantastic but we would still love to have some more.

After our tea or coffee and biscuits at each meeting we still have the large raffle and enjoy playing Bingo. Our free lunches provided by our committee continue with background music and we enjoy the bar being opened for us. Last Christmas we had our lunch at The Nightingale in Langford Village which was very good.

Our Emergency Plan is kept up to date and hopefully we will never need to use it!

I submit a report to the Launton Lines about every two months and so I'm afraid there is nothing new to tell you but, all in all, we have had a successful and enjoyable year and hope to continue.

Pat Court
Membership Secretary
