

Launton Village Rock Chorus – Community Choir Report

The Launton Village Rock Chorus is a small, not-for-profit local choir. Comprising of around 20 enthusiastic members, the group meets weekly on Tuesday evenings here in the Launton Parish Hall. Open to a broad age range, the choir offers a welcoming and inclusive environment for anyone with a love of singing.

Specialising in popular songs, the Rock Chorus brings a lively and modern twist to the traditional village choir format. The group is accompanied by live musicians, adding an extra layer of energy and professionalism to both rehearsals and performances.

Throughout the year, the chorus supports charities and other good causes within the community, bringing music and joy to a variety of local audiences.

The choir is particularly active during the festive season, preparing a selection of well-known Christmas songs and performing at various local events.

With its friendly atmosphere, commitment to the local community, and love of music, the Launton Village Rock Chorus continues to be a valued part of village life.
