

LAUNTON OVER 60s CLUB
REPORT TO PARISH COUNCIL
APRIL 2025

Our Annual Meeting was held as usual in March and we were pleased that all our committee members agreed to stand for another year. They were voted in again unanimously by the 26 members who were present at that meeting.

Edwina Caton will remain as Chairman, Wendy West as Treasurer, Rita Jones is in charge of birthday and Christmas cards and bringing the tea, coffee, etc to each meeting. Tina Carter arranges and supplies our tasty lunches helped by Elaine Howes who also checks the winning bingo cards. Edwina Ralston sets up the bingo machine and sells the bingo tickets and Bob Ralston checks the dates on the raffle prizes and helps to set up the tables and chairs whenever necessary. I remain as Membership Secretary. We are grateful to other members of the Club who help out as and when needed.

Our emergency contact list is kept up-to-date as is the emergency plan and we will continue with the tea rota as it is much safer in the kitchen with only three people there at any one time.

Our membership has sadly reduced to 31 at present but we always welcome new members and wish more Launton residents would join us. We all enjoy our tea and biscuit, the raffle and the games of bingo.

Last year members also enjoyed five free lunches in the Hall and a Christmas lunch at The Nightingale.

We are grateful to the Launton Playing Fields Association who allow us to use the hall and set up tables and chairs for us. They also arrange for the bar to be open whenever we have our regular lunches and this is very welcome! We are also supported by local businesses at Christmas and Easter and the Launton Parish Council. We could not manage without this help.
