

The Launton Village Rock Chorus 2026

The Launton Village Rock Chorus continue to go from strength to strength, providing a weekly musical outlet for both villagers and participants living locally.

The LVRC was established back in 2013 and we rehearse every Tuesday evening in here (The Launton Parish Hall)

We number around 20 members and our current repertoire contains everything from The Beach Boys through to Beyonce with side trips into Bob Dylan and even the odd musical.

The musical accompaniment is live keyboards and guitar, no backing tracks, and the vocal arrangements are generally quite simple so that the songs work even if, for various reasons, our numbers are depleted due to work commitments, sickness or holidays.

The group attracts a wide range of ages, but we could do with some more male voices.

We usually perform at local events and for charities when we can but are always particularly in demand around Xmas when we put a festive set list together of popular Xmas songs rather than carols.

We're a non-profit group and have been lucky enough to obtain some small grants, which have helped us to keep our subs low and ensured that we can continue for some time to come.

Please feel free to come and join us on a Tuesday evening in here at 7.30 and please spread the word to your friends and neighbours.
